

## Background

The townland of **Bosnetstown**, as part of the bankrupt estate of Lord Baron Lisle and Honourable John Arthur Lysaght, was advertised for sale under this Court on **13 October 1869**. The sale took place on **30 November 1869**. Bosnetstown was sold in seven separate lots and all lots were sold on the day. The neighbouring townland of Moorestown was sold in two lots on the same day. In order to facilitate the sale of a bankrupt estate documents known as Landed Estates Court “Rentals” were printed. Information about tenants, the lots they rented, the terms of their tenancy, the rights of way attached to the lots as well as a map specifying the boundaries were included in the “rentals”.
